American Training Videos Custodial Training Kit

Manufacturer: American Training Videos

American Training Videos Custodial Training KIT  
[AMT-1000]

This is a complete custodial course consisting of fourteen videos and comprehensive one hundred and sixty page illustrated training manual w/ test. It provides documentation useful for Workmans Compensation claims, OSHA inspections, and personal injury lawsuits. Our videos focus on step by step while enforcing safety. It's also helpful in organizing training programs, cross training custodians and evaluating the custodial work force. It is a persuasive sales tool which demonstrates your training program to customers. Training Manual is optional as DVD or printed manual.

Video Topics Include:

- Interior Office Building Cleaning [Parts 1 and 2]
- Ground Rules for Custodians
- Safety for Custodians
- Building Emergency and Evacuation Procedures
- Basic Restroom Cleaning
- Daily Floor Maintenance
- High Speed Floor Maintenance [Auto and Manual Methods]
- Basic Carpet Cleaning [Parts 1 and 2]
- Maintaining Janitorial Equipment
- Stripping and Finishing Floors
- Basic Supervision of Custodial Personnel
- Custodial Training Manual
