Manufacturer: American Training Videos

American Training Videos Custodial Series #1001A Interior Office Building Cleaning Part I  
[AMT-1001A]

Covers the theory and practice of cleaning offices as well as other areas of typical commercial building. The routine for cleaning an office can also be applied to building lobbies, entrances, employee rest areas, lounges, conference rooms, training rooms and office work areas. Discusses other topics such as building security, access procedures, dependability, reporting malfunctions of fixtures and equipment, customer relations and personal contact.
