Model Number: ASE-0160

Steel Eagle ASE-0160 Gum Blaster Tool Tile Grout Line Cleaner with Vacuum Recovery

Manufacturer: Steel Eagle

Steel Eagle Gum Blaster Tool ASE-0160

Works great for blasting gum spots and cleaning indoor grout lines, simply place the gum blaster tool over the gum spot and squeeze your pressure washer trigger gun. The turbo nozzle will then rotate at 3000 RPM and pressure up to 4000 PSI at temperatures up to 212 degrees F.

The vacuum will then suck up the water and gum residue, leaving the surface free of gum, and dirt, without spreading it further from the gum spot.

Specs:

- 2" Vacuum hose hook-up
- Heavy duty brush to create vacuum seal and eliminate over spray to use indoors our out.
- YR51K40 Turbo Nozzle rotates at 3000 RPM
-
-
