Model Number: SBM129-4

Shazaam SBM129-4 Pounce Odor Stain Remover Case 4-7 lb jars

Manufacturer: Shazaam

Shazaam SBM129-4 Pounce Odor Stain Remover Case 4-7 lb jars

Description:

Pounce is a very easy to use, yet extremely effective cleaner, deodorizer, and stain remover for pet urine damage and body fluid clean up.

For synthetic surfaces only.

Specification

Appearance: White Powder

Odor: Pleasant

Specific Gravity: .012

pH: N/A

Directions

Add 4 oz of Pounce in every gallon of super heated water and mix until dissolved completely. For soft water use 2 oz of Pounce in every gallon of super hot water. To super boost product, add a match 4 oz per gallon of a Urine Pre Spray such as Flush Out into your hot odor removal/ stain removal bath.

Since hot water is the key to removing all the odor, please use a bucket heater, truckmount, microwave, or stove to heat the water hotter than the normal 110 degrees that you would get out of the sink or tap.

Pour mixed Pounce and hot water on carpet, agitate, and allow to sit on carpet and pad for 30 minutes.

Remove water with water extractor, shop vac, truckmount, or steam cleaner. The use of a Spot Claw, Water Claw, Flash Extractor, Rover, or HydroX will improve results. If these types of water removal tools are not available, substitute by extracting, pausing, and adding downward pressure on wand head by placing foot on top of your carpet cleaning wand. Extract 1/2" lines at a time until all water has been removed. Clean carpet in normal manner when complete to rinse out chemicals. For larger areas, leave a dehumidifier and an air mover in room to make sure you removed all the water. When used as directed you will be successful in removing water from the carpet, carpet backing, and carpet cushion all at the same time. No need to disengage the carpet and remove the carpet padding. All the work is performed on the top side of the carpet.

Disposal

Dispose if this material, its mixtures and any spill residues must be disposed of in accordance with local, state and federal regulations. For professional use only.

THE IDENTITY OF INDIVIDUAL COMPONENTS OF THIS MIXTURE IS PROPRIETARY INFORMATION AND IS REGARDED TO BE A TRADE SECRET. THIS MIXTURE CONTAINS NO SUSPECTED CARCINOGENS AS REPORTED BY NIP, OSHA OR IARC MONOGRAPHS. ONE OR MORE OF THE COMPONENTS PRESENT IN GREATER THAN 1% CONCENTRATION MAY PRESENT THE

>

FOLLOWING HEALTH EFFECTS BASED ON EVALUATION OF THE INDIVIDUAL COMPONENTS: NONE KNOWN. NO WARRANTY IS EXPRESSED OR IMPLIED ON THE RESULTS TO BE OBTAINED. VENDOR ASSUMES NO RESPONSIBILITY FOR INJURY TO VENDEE OR THIRD PERSONS PROXIMATELY CAUSED BY THE MATERIALS EVEN IF REASONABLE SAFETY PROCEDURES ARE FOLLOWED.
