Harvard Chemical 701101 Cherry Odor Destroyer Thermal Fogging Odor Eliminating Concentrate 1 Gallon GTIN 711978403303

Manufacturer: Harvard Chemical Research

Harvard Chemical 701101 Cherry Odor Destroyer Thermal Fogging Odor Eliminating Concentrate 1 Gallon

Description

Cherry Odor Destroyer has a powerful cherry scent and is proprietary formulated with a combination of essential oils, safety solvent blends, mal-odor counteractants and fragrances designed to deliver the maximum in odor neutralizing capabilities for those extreme circumstances. Designed to work in applications in which water based or bacterial enzyme products are inappropriate, ideal for general odor control, restoration procedures, or topical over spray. Product versatility allows for wet or thermal fogging. These products are designed to be used undiluted at a ratio up to 1 gallon per 4000 square feet.

Features

- Safe when used as directed.
- Contains natural organic oils.

Specifications

Appearance: Clear

Odor: Cherry

Specific gravity: .920

Directions

These odor control products are solvent soluble but a small amount may be added to a cleaning solution or used as an after-spray treatment. Effectively neutralizes odors in carpets, fabrics, cars, boats, bathrooms, kitchens, garbage bins, dumpsters, etc. Product may be applied through a garden type sprayer, hand sprayer, ULV Electric Fogger, or thermal fogger.

Mild Odor Problems: Product must be used undiluted. One gallon will treat 4000 square feet.

Moderate Odor Problems: Product must be used undiluted. One gallon will treat 3000 square feet.

Severe Odor Problems: Product must be used undiluted. One gallon will treat 2000 square feet.

Safety

Keep out of reach of children!

Wear chemical gloves and eye protection when using this product. Use in well ventilated area only.

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
