Model Number: H123

Mytee H123 Cuff-Lynx 2.5" Female Starter vacuum hose connector

Manufacturer: Mytee Products Inc

Mytee H123 CUFF-Lynx Hose Connectors

Details:

Tired of old-fashioned vinyl vacuum hose cuffs that cause your hoses to lose suction and leak, and are hard to attach in cold weather? You don't have to put up with it! Connecting vac hoses to extractors and other hoses is easier than ever, thanks to the Mytee® Cuff-Lynx® vacuum hose connector. Cuff-Lynx® are a major improvement over vinyl hose cuffs.

They are:

- Durable nylon; solid construction resists cracking, despite low temperatures
- Effective interlocking 2.5" female and male connectors are threaded
- Positive O-ring seal prevents leaks and provides better suction than traditional cuffs
- User-Friendly exclusive soft lock to twist easily into place
- Competitively priced compared to vinyl cuffs
