Manufacturer: Mosmatic Pressure Washing Equip

Mosmatic 6930 Economy Surface Cleaner FL-EG 300 Diameter 12", 1/4"NPTM, KDYF, 2x1/8"NPTF-4000 PSI Combination wall and floor surface cleaners-78.262 Karcher

12" SURFACE CLEANER (8.749-911.0)

This multi function, multi task surface cleaner line is used to clean brick walls, RV's, boats, stadium stairs, kennels, sidewalks, car wash walls, windows and other hard to clean surfaces. Same tool can be used without the lance. Just remove the gun and install it right on top of the dome.

No overspray or flying debris guarantees a safe, clean work area. Features include: stainless steel deck construction, the newly developed toggle swivel and quick connect lance with a high pressure gun.

The Economy Line is ready to use with no tools required for assembly.

Model:
6930

This multi function, multi task surface cleaner line is used to clean brick walls, RVs, boats, stadium stairs, kennels, sidewalks, carwash walls and windows and other hard to clean surfaces. No overspray or flying debris guarantees a safe, clean work area.

• Please note the Mosmatic tools do not come with any quick disconnects (QD) to hook the spray gun to the pressure washer or tile cleaning machine. The gun is threaded with 3/8" Female International Pipe (FIP) connection. Please add the correct pressure washing QD and/or carpet cleaning QD to your order.

Brush

Ideal for outside applications such as, concrete, brick, limestone or wood surfaces.

BENDABLE OR LINEAR SWIVEL

This specially designed swivel joint is outstanding for cleaning surfaces and walls and enables fatigue-free cleaning thanks to its bendable swivel joint. The swivel joint with reinforced, self-lubricating bearings made of stainless steel and a carbide gasket system specially developed for high revolutions ensures long-lasting durability. Comes in a linear version enabling it to be connected directly to the high-pressure pistol.

350 bar / 4000 psi Maximum Pressure
248 Degree Fahrenheit Maximum Temperature
6.16 Pound Weight

>
