Model Number: UR5000-22060

Nikro UR5000-22060 Dual Motor and Blower unit Commercial 220V/60HZ Electric System

Manufacturer: Nikro

Nikro UR5000-22060 HEPA Air Scrubber and Duct Cleaning Machine

Product Number: UR5000-22060 Upright Commercial

Product Description

This powerful vacuum incorporates two - backward incline motor and blower assemblies, which create a powerful combination of vacuum and air flow, making it ideal for commercial air duct cleaning.

Each system has an exclusive 3-stage filtration system, which includes final stage H.E.P.A. (High Efficiency Particulate Air) filter rated at 99.97% @ 0.3 micron particles and larger, DOP tested. This actually meets or exceeds OSHA, EPA, and NADCA standards for cleaning the air of toxic and nuisance dust.

The light weight aluminum body design with built-in dolly and stair climbers allow the unit to be easily maneuvered; even in the tightest spaces.

Each unit includes 1 - 12" x 25' PVC Flex Duct, 2 - Quick Connect Hose Clamps, and 1 - Duct Mounting Flange. 3 year warranty.

Product Specifications
