Generac 7043 Guardian Air-Cooled Standby Generator — 22kW (LP)/19.5kW (NG), 200 Amp Service-Rated Automatic Transfer Switch

Product Summary

This Generac Guardian Series Standby Generator provides peace of mind with 24/7 automatic power protection from blackouts whether you're home or away. Backup preselected circuits or the whole house. When connected to your existing LP or natural gas fuel supply, this Generac Guardian Series Standby Generator automatically kicks in within seconds of determining power loss. Plus, it runs for as long as necessary until utility power returns. You enjoy easy hands-free operation with no fueling, no manual starting and no extension cords. Add even greater convenience with a Mobile Link or remote monitoring system, Item#s 37871, 167223 and 167218 (sold separately).

What's Included

- (1) 22kW generator, Model# 7043
- (1) 200 Amp service-rated automatic transfer switch
- (1) Pre-attached composite mounting pad

Features + Benefits

Generac OHVI® engine is designed to run for extended periods, ensuring reliable, uninterrupted power

Generac's Evolution Controller features a dual-line, improved multilingual LCD display for easy monitoring and management of generator functions, built-in hour meter and external at-a-glance indicator lights

>

Install as close as 18in. to home as certified by NFPA standards or directed by local codes
True Power® technology provides clean, smooth operation of sensitive electronics and appliances
Quiet-Test® weekly self-test mode runs at lower RPM, is quieter and consumes less fuel
Sturdy, all-weather steel enclosure with Rhino Coat® finish for superior weather protection to withstand 150 MPH winds

Tool-less fuel conversion with swivel-action fuel selector dial allows for easy switching between natural gas and LP fuels
Mobile Link® compatibility for adding Mobile Link wireless remote monitoring system to receive status updates using your computer, tablet or smart phone
Battery required, not included
24/7 Generac customer care support 365 days a year
Engineered and built in U.S.A.
5-year limited warranty
