Model Number: 862529

Nikro 862529 - 20ft Orange Jacket Solid Cable Assembly Button Lock Brush Air Duct Cleaning

Manufacturer: Nikro

20' Orange Jacket Cable Assembly (only, no button brushes)
Air duct cleaning cable system

For use with all Nikro Button Brushes

4" - 18" brushes available.

If you break the inner solid metal core, it will not be warranted.
You can only break this if you turn faster than 320 rpm, or used coiled up, or used a non-clutched drill. Inspect regularly that the drill and brush end are secure with an Allen wrench.
