Package advantages:
It is both a Carpet Cleaning Trailer Package and Pressure Washing Trailer Package
250 degree water in 60 seconds!
All 4 hose reels included
All hoses included (expect garden hose)
Easily toggle between 4000 psi cold and hot pressure washing, 1500 psi tile cleaning, 500 psi carpet cleaning, 400 psi upholstery cleaning between both unloaders.
Carry up to 200 gallons of fresh water.
Totally self contained - no outside power required.
Can operate the vacuum and pressure separately and only as needed.
Package includes more accessories that other systems for way less money.
Can be towed with any truck - water removed.
Waste water pick and auto pump out
One system and package for all surface types, no longer need to purchase a carpet cleaning system and then a pressure washer.
Cleaning Speed Cold 16,000 Cleaning units + 73,100 vacuum units + 350,000 BTU heat makes this package one of the most aggressive truck mounts on the market today.
Cost way less with way more performance that other systems.

Both Pressure Pro and SteamBrite reserve the write to change the exact parts used in the build in an effort to improve the design and reliability as well as using parts based on availability to improve order fulfillment.

Please note this is not a trucking lift gate type and needs to be shipped to a forklift location that has 72" forklift extensions and front load straps or has to be "held at the dock for pick up." Please note that hold at dock pick up usually requires bank to bank wire transfer as most credit card companies will not allow dock pick up items unless you provide the address to the dock location to the credit card company in advance. Currently Pressure Pro is shipping this by ODFL.com and pick location on posted on that website.

When paying by credit card we can only ship to locations your credit card approves! Think about this statement... whomever stole your wallet would ask us do

ship to a different location or hold at terminal so this is rear and usually you will have to pay by wire transfer as many credit card companies will not alter the ship to location. We will electronically verify that you have your ship to location pre-approved in advance when paying by credit card. Credit card payments subject to a 3% surcharge. Wire payment usually required.

Testimonial:
"Vacuum is awesome! I love the automatic flood pumping ability. I have worked with the Boxxer 427 for many years and found my Goliath Quad 6.6 feels stronger to me!"
https://superior-carpet-cleaning-texas.com/

Testimonial:
"I used the Goliath Quad 6.6 to perform a tile cleaning service using the TH15 spinner wand and the Clean Storm 6720 pressure washer.
The job site required me to leave the machine on a higher floor than the surface being cleaned.
With the pressure washer set at 1700 psi and applying the water with dual 02 jets using the TH15 spinner wand
Cleaning one and two floors below the Goliath I only needed to run two vacuum motors to pick the water straight up vertically 24 ft and over horizontally 100 ft. using 150 ft of 2" ID vacuum hose.
Cleaning 3 and 4 floors straight up (48 ft) and over 100 ft, I used 3 vacuum motors.
Cleaning 5 floors (60 ft) straight up plus 100 ft. horizontally, I ran all 4 vacuum motors and it worked perfectly!"
