Mytee 24 Pack of Male Vinyl Hose Cuffs

PAK24-H136V 2″ to 2″ Male Vinyl Cuff-Lynx™ Coupler

Keep a low-profile with Mytee's new vinyl Cuff-Lynx™ Vinyl Cuff-Lynx™ don't crack under pressure. Made out of high-quality vinyl, these flexible hose cuffs will outlast standard hard plastic hose cuffs. These vinyl cuffs have an ultra-low profile and swivel technology to reduce hose twists and kinks. 2″ Male Cuff x 2″ Female Vacuum Hose.

Features:

- Durable vinyl material resists breaks and splits
- Swivel technology reduces hose twisting & kinks
- Ultra low-profile design saves storage space on hose reels
- Reduces suction loss
- Fits standard hoses
- Connects to Part #H110V to create coupler set

Instructions for Use:

To prevent hoses from unscrewing from Cuff-Lynx™, it is advised to add a small amount GOOP® All Purpose Adhesive and Sealant to the vacuum hose threads. Available at most hardware stores. Not sold by Mytee®.
