Model Number: SC21V

Sirocco SC21V Vacuum Recovery Surface Spinner Stainless Steel 6035

Manufacturer: Sirocco

Sirocco SC21V Vacuum Recovery Surface Spinner Stainless Steel 6035

“ Vacuuming Surface Cleaner

Perform pressure cleaning and wash water control simultaneously. The SC-21 surface cleaner with vacuum capability controls

overspray from pressure washing sidewalks, warehouse floors, tile surfaces and more.

Attach to a wet/dry vacuum and have dry

floors in minutes. Triple vacuum intake tubes remove 90-98% of dirty wash water during cleaning process.

Eliminate overspray while pressure washing sidewalks, warehouse floors, tile surfaces and more. Sanitize with up to 240°F as fast as you can walk, and have dry floors in minutes! Crazy faster than mop and bucket on tile and grout jobs — great for compelling demos!

The MOST important reason to own one of these is “instant-capture”, but when you see your “quality of clean” improve too, don’t be surprised. The vacuum draws the water away from the spray area, removing the water-puddle, thus allowing better spray-impact and a faster-spinning spray-bar. When the pressure washing and wash water control are done simultaneously, there’s NO rinsing required — and the net increase in work-speed quickly pays for the equipment!

FEATURES:

• Quick-couple trigger handle for easy removal and attachment of spray wand without damaging ball valves.

• Powerful 2-armed spray bar (with 2503 nozzles)

• High pressure water filter insures clean spray nozzles.

• Hand held “SideKick” wand in conveniently located holster for spot-cleaning.

• Triple vacuum intake tubes remove 90-98% of dirty wash water during cleaning.

• Stainless steel outer shell for added strength and rust resistance.

• Wheeled carriage for easy portability over uneven terrain, and minimizing back strain while the vacuum sucks against the ground.

• Requires only 170+ cfm (but 5.5 to 6.5 gpm psi is best for 98% capture).

Designed to accept 2" Id vacuum hose

SPECIFICATIONS:

• Max psi: 5000

• Max gpm: 8

• Max temp: 240°F

• Deck diameter: 21"

• Vertical height: 56.5"

• Ship weight: 39 lbs.

Pressure washer, 50 /100 ft vacuum hose, vacuum recovery system not included on
