Demo DriStorm Industrial dehumidifier Contair CT-125 Bluedri BD-76P XPower XD-125 [AOne-70L D] GTIN 852016006121

Manufacturer: Clean Storm

Demo DriStorm AOne-70L Commercial dehumidifier

The Used DriStorm Demostrator Model.
Demo / refurbished /blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, might be engraved as a rental unit, or just an out of box just sitting on the shelf special. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you. All sales are final. Condition of this unit: "B+ Perfect!"
*Our refurbished / demo equipment goes through the same type of testing as all of our products do that are ready for purchase. The unit is in perfect working condition when it leaves our facility and includes the same warranty as a new machine (except labor)
You are more than welcome to inquire as to the current number of hours on this machine.
AOne-70L Dehumidifier is here to change the game by setting the bar higher than the competition in the water damage restoration industry. The 150 pints per day (PPD) water extraction capability along with all the expected features are now available in the DriStorm AOne-70L. The DriStorm DriStorm AOne-70L combines high-tech design with professional grade performance and portability. The roto-molded polyethylene housing is dent resistance, offers superior durability, and helps to protect furnishing when in use. Stack up to two units high for efficient storage. A rigid handle and semi-pneumatic wheels ensure easy transport and maneuverability.
