

Model Number: 213800

IPI Industries 213800 Breeze Extended Run Generator System BERG System Single Feed HND1.2-000iS

Manufacturer: Northern Tool & Equipment

IPI Industries 213800 Breeze Extended Run Generator System — BERG System: Single Feed, HND1.2-000iS
Product Summary
No more refueling your generator in the middle of the night! Keep your inverter generator running for up to 72 hours with the BERG System by joining your generator to the external fuel tank and extending the continuous run time. The vacuum draw technology enables the fuel to flow seamlessly from the BERG System to the generator, thus allowing you to set it, start it and forget it.
What's Included

- (1) Fuel extender
