Ametek Vacuum Motor 24 VDC , OEM# 116598-13

- Input Voltage: 24 VDC
- Fan Diameter: 5.7"
- No. Fan Stages: 3
- Fan System Style: Bypass
- Air Discharge: Peripheral (Acustek)

Applications:

Floor Scrubber/Carpet Extractors

Tennant/Nobles: Vacuum Motor OEM# 130397

- 3540 - 16 gal battery Wet/Dry Vacuum
- Typhoon 16B

Windsor:

- Compact 17
- Compact 20

>

Fits the Trident Compact and C17X and C20X

Item DC Vacuum Motor/Blower

Motor Type : Series Universal

Input Voltage : 24 VDC

Frequency :

Fan Diameter : 5.7 in.

No. Fan Stages : 3

Fan System Style : Bypass

Air Discharge : Peripheral (Acustek)

Operating Temp : 32-104°F

Bearing System : Ball/Ball

Frame : Skeleton

Brush Type : Carbon

Inlet Tube Dia. : None

RFI Choke : None

Speed : 1

Delivery time can take up to 2 weeks for this part.
