Rear 8 Inch Wheel Fits Ninja 455-057 Diamondback PCE40-60 [040-06] and HydraMaster RX20 CMX-20

Manufacturer: Esteam Cleaning Systems

Esteam Rear wheel for Samurai, Diamondback, Prochem, Ninja, Windsor portables, and other brands that use 8" diameter wheels including Hydramaster RX20 and CMX.

Measures 8" in diameter, 1.75" in width, and has a 1/2" hub. Gray non marking rubber wheels with gray or red metal center.

Colors are not guaranteed.

Be sure to purchase a replacement 1/2" Axle cap!

**\*\*NOTE** the design and shape has changed over the years. This new wheel might require a new axle as the wheel is bowed out (convex) on both sides. Original was concave on one side and convex on the other.

If needed we can custom make a new axle.
