All Sales Final

What can this Fogger do ?

The Vectorfog H500 SF truck mounted thermal fogger is ideal for large fogging applications, including vector control and agricultural fumigation. Features include a large 150 litre stainless steel tank, dual resonator, remote control and a flow rate of 200 – 300LPH. Thanks to its powerful flow rate, this thermal fogger can quickly cover a large area in the minimum amount of time.
