

Model Number: 1.150-912.0

Shark Super Portable Restaurant Quality Cold Water Electric Pressure Washer 2.3Gpm 1400Psi 1.150-912.0 HD 2.3/14

Manufacturer: Shark

Karcher Cold water high-pressure cleaner for use in the food industry. Accepts incoming water up to 180°F. Compact dimensions, solid construction and excellent maneuverability.
The upright HD 2.3/14 C is designed to take the heat, accepting incoming water of up to 180°F, making it ideal for kitchen and food service applications. Its compact design and portability make it convenient for fast cleanups while its commercial- duty components make it tough enough for all cleaning jobs. Non-marking hose and wheels leave no traces behind; rugged 3-piston commercial axial pump ensures long service life; total trigger shutoff saves energy; and protective cover shields components from overspray. This unit is ETL safety certified to rugged CSA and UL standards.

Features
Save energy and time: EASY!Force high-pressure guns and EASY!Lock quick-release locks.

At last – work without getting tired: the EASY!Force high-pressure gun.EASY!Lock quick-release locks: durable and robust. And five times faster than screws
