Model Number: 1.092-000.0

Karcher 1.092-000.0, SGV 6/5 Steam Vapor Vacuum Cleaner 327 degrees F, 240V 1Phase  
10920000 GTIN 4039784829282

Manufacturer: Karcher Pressure Washing

Karcher SGV 6/5 Steam Vapor with Vacuum Cleaner 1.092-000.0 240 volts

The easy-to-use SGV 6/5 steam vacuum cleaner offers hygienic cleanliness. A single machine that is a steam cleaner and wet and dry vacuum cleaner in one. With EASY Operation switch, secure accessory integration and hand tool for controlling the steam/vacuum function. Accessories can be stored directly on the machine, protecting them from dirt and ensuring they are always close to hand.

Features

Extremely user-friendly thanks to EASY Operation

One turn switch for all functions. Simple and quick handling, with no need for extensive training.

Self-explanatory symbols make the machine easy to understand and simplify operation.

Handle with trigger for convenient function control

Time-saving, flexible, simple and direct control of the functions during operation.

Controls for the most important functions such as water/steam regulation and an on/off switch for the vacuum function.

Accessories are stored for easy access and protected against loss Carrying handle for easy removal of nozzle accessories.

Cleaning without chemicals

Hygienic cleaning of hard surfaces without the use of chemical substances.

Dispensing with the use of chemicals protects the environment and saves costs.

Easy removal and disposal of dirty water without direct contact.

## FEATURES AND BENEFITS

Extremely user-friendly thanks to EASY-Operation

One control for all functions. Easy to learn and use

Handle with trigger for convenient function control

Controls for the most important functions such as water/steam regulation and on/off switch for the vacuum function.

Time-saving, flexible, simple and direct control of the functions during operation.

Offers non stop cleaning over traditional 120 volt 1700 watt vapor steamers that only offer 10 minutes of cleaning followed by 10 minutes of reheating the boiler.

Easy to plug in with optional power supply below. Operates on two standard 120 volt wall outlets.
