Karcher NT 65/2 TactÂ² Wet/Dry Vacuum Cleaner (1.667-310.0) 17.2 gallons 120V 1800 watts

GTIN 886622021506

Manufacturer: Karcher Pressure Washing

Karcher NT 65/2 Tact² Wet/Dry Vacuum Cleaner (1.667-310.0) 17.2 gallons 120V 1,800 watts

The new generation of Tact wet and dry vacuums are high-performing units that pack a lot of features. Large amounts of fine dusts can be vacuumed without any interruption in suction. Vacuum performance remains at the same high level you have come to expect from Kärcher wet/dry vacs. There is no need of manual filter cleaning. It is fully compliant with the new OSHA silica dust regulations. The perfect solution for demanding customers in the rental, construction, industrial and automotive industries. We make the best wet and dry vacuum cleaners on the market!
