Manufacturer: Malish

Malish 811610 Soft White Nylon 10 inch Rotary Scrub Brush for 12 inch Floor Machines

Nylon bristles on this brush are a soft 0.016" diameter and the highly productive filament has excellent brush life in dry sweeping conditions. This brush is great for cleaning hard surfaces and performs well on rough surfaces and in high temperature environments.

Optional clutch plate.

Fits most floor machine brands.

Optional

Malish NP9200 Tru Fit Plastic Universal Clutch Plate NP-9200 U19563
