Sirocco 86785081, Sand And Leaf Trap, 15 Gallon Vacuum Tank

Manufacturer: Sirocco

Sirocco Sand And Leaf Trap 15 Gallon Vacuum Tank 86785081

SandTrap/LeafTrap (15 gal)

An upgraded version of the SandTrap, the SandTrap/LeafTrap is built for use on jobsites with EXTRA heavy dirt load. The SandTrap/LeafTrap is designed to capture the bulk of Sand, leaves & other debris, protecting the Auto-Pump-Out on your vacuum system.

The SandTrap/LeafTrap has a simple but multi-functional design. Inlet waste debris is directed downward to facilitate air-water debris separation, and the outlet set for over-flow to continue to the vacuum-waste tank, without the heavy debris. Slide-in filter stops lighter debris (leaves, cigarette butts, etc.). The large nylon mesh filter bag can be added to the inlet for debris as well, and OilPhyllic fiberPads can stop greasy debris. Nylon mesh bag can be changed out with burlap sacks for super-greasy gunk from grease traps, or super-sticky debris from coatings removal applications.

The optional, but highly recommended Hi-Flow Upgrade splits the water-flow from the air-flow, reduces turbulence and required horsepower, and increases the overall efficiency of the reclaim and pump-out functions. The Hi-Flow Upgrade is sold separately (see below for product link).

Pictured with connect hose, sold separately.

FEATURES:

- Triple-step powder-coated tank (rust-proof and resistant to harsh chemicals!)
- Slide-in filter screen is completely chemical resistant and easily cleanable
- Removable mud bucket with mesh leaf bag
- 1" CamLock drain
- 2" CamLock vac hose fittings
- Stainless hardware

SPECIFICATIONS:

- Ship weight (15 gallon version): 33 lbs.
- Ship weight (30 gallon version): 43 lbs.

RECOMMENDED ACCESSORIES:

- Hi-Flow Upgrade

Sirocco Sand And Leaf Trap High Flow Upgrade Kit 50447704

>

- Large slide-in filter
- Filter sock
- Burlap sack

SHIPPING:

- PRICE DOES NOT INCLUDE SHIPPING!

• After you checkout we will begin production on your order. When your order is ready we will contact you with the freight amount for payment.

• All shipping charges are the responsibility of the customer. PressureWasher.net ships internationally with R&L Carriers. We do NOT mark-up freight, but we do get very competitive rates. Please contact us if you would like to use your own carrier.

• ORDER CANCELLATION ON ANY CUSTOM ORDER AFTER 24 HOURS IS SUBJECT TO A 30% RESTOCKING FEE!

LEAD TIME:

• There is a 10-14 day lead time for production on most machine orders. Common inventory items may ship faster.

• Rush orders available for an additional fee, contact us for details.
