Sirocco Sand And Leaf Trap High Flow Upgrade Kit 50447704

Sand Trap High Flow Upgrade (pictured with Sand Trap & sold separately)

Increase the capacity of your Sand Trap to 10 gpm+ for faster work speed! Allows for quicker and more efficient separation of air from water flow, and requires less horse power (saving lots on fuel!). Also reduces strain on the auto pump-out, making it more reliable.

The High-Flow upgrade adds another hose connection at the top of the tank, allowing air to stay separated from the water-flow, making it easier for the transfer of water into the next tank, especially for 8 to 12 gpm flow rates.

**INCLUDES:**

• Quick connectors

• Auto pump-out tank adapters

• 1" and 2" connect hoses

NOTE: 15/ 30 Gallon Sand Trap Tank NOT included!

**SHIPPING:**

• PRICE DOES NOT INCLUDE SHIPPING!

• After you checkout we will begin production on your order. When your order is ready we will contact you with the freight amount for payment.

• All shipping charges are the responsibility of the customer. PressureWasher.net ships internationally with R&L Carriers. We do NOT mark-up freight, but we do get very competitive rates. Please contact us if you would like to use your own carrier.
