Tiny-Tach Ultra Sonic Cleaner DTI-UC2/3G 92271836

Manufacturer: Design Technology Inc

Tiny-Tach Ultra Sonic Cleaner DTI-UC2/3G 92271836

Ultrasonic cleaning is based on the cavitation effect caused by high frequency ultrasonic wave vibration signals in fluid. Microscopic bubbles are formed, and they implode violently causing the cavitation which creates an intense scrubbing action on the surface of the item being cleaned. The bubbles are small enough to penetrate microscopic crevices, cleaning them thoroughly and consistently. Great for cleaning tools and smaller engine parts.

Features

- 2/3 Gal. tank Heated Tank.
- Adjustable LED digitally controlled thermostat.
- Stainless steel tank and housing construction.
- Adjustable LED digital countdown timer.
- Six month warranty.
