Husqvarna DM340 Core Rig Drill Motor 98 72-07 240v L6-20P 14amp DM 340 987207210 GTIN 805544869638

Manufacturer: Husqvarna Equipment

Husqvarna DM340 Core Rig Drill Motor 98 72-07 240v L6-20P 14 amp DM 340 987207210

Powerful electric core drill for use with stand. DM 340 is the perfect choice for medium and heavy core drilling where high production rates are needed, especially with large diameter core bits. Recommended diameter up to 400 mm. The motor is very easy to operate with several ergonomic features facilitating drilling and set up. Suitable for water evacuation, ventilation, angle drilling and stitch drilling.

The L6-20 Plug makes this one of the strongest yet easiest to plug in drill motor with the optional converter power pack.
Factory Installed
NEMA L6-20P Plug for 10 and 12 AWG Wire

Applications

Core drilling up to 16" in diameter with Husqvarna drill stands
For reinforced concrete, bricks and other building material
Heavy-duty applications like water evacuation, channels for ventilation and plumbing, waste evacuation pipes, gas supply pipes, barriers, road signs and holes in corners for wall sawing openings
Angle drilling and positioning in all directions
Ideal for use with DS 450, DS 70 and GYRO 50 drill stands
240 volt 14 amp version allows for faster drilling and can handle more downward pressure!
