Manufacturer: Husqvarna Equipment

Husqvarna Pullman Ermator C3000 Pre-Separator
C 3000 is an effective industrial pre-separator for really big jobs where a lot of dust is produced. Recommended as a supplement to your Husqvarna dust extractor S 26 and S 36. C 3000 separates 90% of the vacuumed material before it reaches the dust extractor, which greatly increases the suction capacity, extends motor life and significantly reduces the frequency of filter maintenance, thus giving you longer operation without interruption. Using a pre-separator enhances the dust extractor’s capacity to handle material that would normally be considered difficult to manage such as soot, burning particles, liquids and light material in large quantities. The Longopac® bag hose system ensures simple, dust-free bag changes. Can be used for both wet and dry applications.

Designed to MAXIMIZE Efficiency, Minimize Cost
Each Pullman Ermator Pre-Separator works between the floor grinder (or shot blaster, scarifier, saw, milling machine, etc), leaf / gutter cleaner and the vacuum to catch up to 90% of the dust, debris, and trash
Makes You MONEY!
* Vacuum Filters stay clean, reducing the need to clean or replace.
* Enables you to keep the grinder running all the time, instead of stopping to empty the vacuum and clean the filters (simply turn off the vacuum for a few seconds, let the trash / dust drop into the pre-separator bag, then turn the vacuum back on and get back to work!)
* Saves time spent cleaning filters
* Saves money spent replacing filters
* Keeps your grinder working full time

Does not use any electricity of fuel.

C3000 Pre-Separator
When your dust extractor is prematurely clogging due to large quantities of material, consider the model C3000 pre-separator. It captures 90% of the material before it reaches the dust extractor, keeping your dust extractor filters clean and extending your grinding operation longer without interruption. Equipped with Longopac® for dust free containment and disposal. Accepts traditional 3 mil contractor bags too.
Color / shade of equipment is subject to change without notice.
