Model Number: PG 450

Husqvarna PG 450 Floor Concrete Grinder 3Hp 230V 13Amp Freight Included 967648605 3 YR Warranty Bundle PG450 19Inch

Manufacturer: Husqvarna Equipment

Husqvarna PG 450 Floor and Concrete Grinder 3Hp 240V Dual Power Cord Supply And Freight Included 967278105 Three Year Warranty 967648605

In stock in SATX

PG 450 is a versatile and user-friendly planetary floor and concrete grinder.

Perfect for a wide range of applications, e.g. coating removal, concrete grinding and concrete polishing.

It is also suitable to use to make Husqvarna HiPERFLOOR®.

With its 18 in. grinding width it is excellent for both small hard to get to areas, as well as larger surfaces.

It is ideal for rental and both professional and semi-professional applications due to its many self-adjusting benefits.

1-phase means it is suitable for industrial and domestic applications.

It can easily be folded and divided without tools for transport and storage.

Factory Installed NEMA L6-20 Plug +use with optional Dual power cord supply for plug in everywhere portability!

The PG 450 come in two versions:

A light duty 120 volt 2 HP 19 amp / 2280 Watt version and the heavy duty 3 hp 240 volt 13 amp / 3120 Watt version.

This webpage is for the heavy duty 3 hp 240 volt version

Way easier to plug in two power cords at 13 amps each than a single power cord at 19 amps, and faster (more RPM's) with the larger heavier electric motor too (more downward pressure)!

Please note that every building has 15 amp breakers, and not every build has 20 amp breakers.

Universal 2" vacuum hose connection

Factory power cord is 1 foot long.

This Bundle Includes:

Extended Warranties for Equipment Valued up to 7499.99 Available

Cleaners Priority Service Warranty SBMW

- Extended Warranty +

We add 2 more years of parts, labor, shipping and even on site service to the factory supplied 1 years warranty.

Now 3 years total

>

Factory Installed
NEMA L6-20P Plug for 10 and 12 AWG Wire
In 2023 the factory stated at some point is was planning on not supplying any male plug on the end of their 1 foot long provided power cord.
When this take place, you will have to purchase and self install your own male plug. You might want to add one to your shopping cart so you have an extra or an original based on the date this change takes place.
