Model Number: 6-50R

Eaton Nema 6-50R Flush Mount Receptacle 1254-BOX 50 Amp 250-Volt Heavy Duty Grade

Manufacturer: Steambrite MFG

Eaton Nema 6-50R Flush Mount Receptacle 1254-BOX 50-Amp 250-Volt Heavy Duty Grade

The Eaton 1254-BOX 50-Amp 250-Volt Heavy Duty Grade Flush Mount Power Receptacle is ideal for any high amperage industrial or commercial power connectivity application.

It is perfect to have installed in any garage, workshop, or warehouse.

This flush receptacle features a heavy gauge galvanized steel mounting strap and a glass-reinforced nylon body.

It uses 50-amps with 250-volts and has 2-pole, 3-wire feature.

The Eaton 1254-BOX 50-amp 250-volt Heavy Duty Grade Flush Mount Power Receptacle has at its disposal a broad selection of wall plates available. This flush receptacle is the perfect amenity for anyone who uses high amperage appliances regularly and because of its durable material and sustainable features, it is product that can be trusted.

Eaton is committed to providing products that increase productivity, energy efficiency, safety at work and in the home, and produce reliable performance. Total power outlets:1
