Husqvarna AD10 Automatic Drill Concrete Core Drilling Auto Feeder AD 10 230V 966666606  
ENO50 GTIN 805544758130

Manufacturer: Husqvarna Equipment

Husqvarna AD10 Automatic Drill Concrete Core Drilling Auto Feeder AD 10 2300V  
966666606

AD 10 is an automatic core drill system. It is in a class all its own in terms of intelligence, speed and ergonomics. No manual work is needed to move the drill along the drill stand. Hands-free drilling means you can produce far more holes per workday than with a manual feed. With one regulator you control the speed, power and direction. The unit also offers convenient drilling as you can stand comfortably upright, reducing body stress. Suitable for core drilling of small to large diameter holes. The AD 10 has a compact design and weighs only 8 lb.
