Husqvarna Smart is our most powerful concrete vibrator for professional customers. It is an electronic high frequency vibrator with an intelligent, integrated frequency converter, combining reliability and performance with the latest technology. The high centrifugal force, stable speed and high amplitude ensure excellent concrete vibration with fewer dips. It's ergonomic design reduces hand/arm vibrations, while the lengthy cable and hose provide exceptional reach.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box, used to make a video or photo shoot, etc...
