

Model Number: 72704

Harvard Chemical 72704 D-Cide Concentrated Odor Eliminator 128 oz / 1 Gallon pH7

Manufacturer: Harvard Chemical Research

HCR 72704 D-Cide Concentrated Odor Eliminator (1 Gallon) 128 oz

Description:

D&E•Cide utilizes the latest technology in odor elimination; it neutralizes odors on contact by binding, bonding, encapsulating, and absorbing a complete range of odors caused by animals, humans, mold & mildew, smoke, urine, feces, decaying organic matter, vomit, putrefaction, and much more. D&E•Cide can be used to effectively treat odors on any water safe surface including carpet, draperies, upholstery, mattresses, and many more. D&E•Cide can be added to any cleaning solution, including germicides to "freshen up" while cleaning, leaving a nice fresh and clean smell behind.

### Features:

- Permanently eliminates the odor through absorption, modification, pairing, and encapsulation
- Effective against the most severe types of odors
- Contains no oxidizers, enzymes, or desensitizers
- Compatible with all detergents including germicides
- Nontoxic, Nonirritating and totally Biodegradable

### Specifications:

Appearance: Light Amber Liquid

Odor: Pleasant

PH 7

Specific Gravity: 0.96

Biodegradable: Yes

Instructions:

Locate the source of the odor and prepare a solution of 1:16 (8oz per gallon), 1 part D&Cide to 16 parts the water and saturate the contaminated area where the odor may have migrated. Allow to dwell at least 10 minutes, preferably allowing to dry before cleaning. If cleaning must be done at time of treatment, apply D&Cide to the dry carpet prior to any cleaning and remoisten surface fibers with D&Cide after the cleaning. General Malodor of Carpet, Pet Accidents: Dilute 1:32 (4oz per gallon) and spray the surface evenly, allowing to dry before using. Upholstery and Mattress Treatment: Dilute 1:21 (6oz per gallon) and mist the surface of fabric and brush gently, allowing to dry before use. General Cleaning Solution: Add 2 ounces per gallon of cleaning solution and proceed with normal cleaning to eliminate odors.
