Manufacturer: Husqvarna Equipment

Used Husqvarna PV47 Pneumatic Pokers Concrete Vibrator 967859403 Air Powered
Demo PV 47 A Rated

Husqvarna PV is a series of powerful, durable and economic pneumatic concrete vibrators. Powered and cooled by compressed air it is ideal for vibrating walls and columns. The easy-to-twist ball stop handle delivers maximum efficiency and helps avoid air leakage and power losses. The absence of moving parts in the hose reduces hand/arm vibrations and extends service life.
