Manufacturer: Husqvarna Equipment

Used Husqvarna MS360 Masonry Saw 14 Inch Blade 3 Hp 967285204B 230V Demo  
MS 360 B Rated

The MS 360 saw offers precision like no other and has an exceptional cutting depth up to 5" deep for a standard 14" blade. The sturdy and rigid design makes it suitable for large jobs cutting block, brick or pavers. The MS 360 rotates for 22.5 degree and 45 degree bevel cuts and switches easily between plunge and miter cutting which makes it fast and versatile on the job site. The patented water containment system facilitates clean work area.

Blade not included.

Rolling Cart Not included.

Demo Information

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box, discontinued model option... Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available, your letting some other customer place the order ahead of you.

All sales are final.
