Demo Husqvarna, 967860701A, K770 Vacuum Power Dry Cutter, 12IN Blade 5Hp 4.8IN Depth, ENO50 GTIN 805544012638

Manufacturer: Husqvarna Equipment

Trade Show Husqvarna K770 Vac Power Cutter 12 Inch Blade 5 Hp 967860701 4.8 Inch Depth Demo K 770 Vacuum Dry Cutting A Rated

Husqvarna K 770 VAC is a lightweight power cutter for dry cutting and has the power and all qualities of the standard K 770 while adding the benefit of dust extraction. With an easy to connect 2" hose dust is effectively transported to an external dust extractor. K 770 VAC has an impressive maximum cutting depth of 122 mm, very close to that of a 14" machine. Suitable with a Husqvarna S 26 dust extractor. The Husqvarna K 770 is a powerful all-round power cutter with features that make it one of the best power cutters on the market. Equipped with semi-automatic SmartTension™ system allows for optimal power transmission, minimum wear and maximum belt life. The light weight, outstanding power-to-weight ratio, the reliable start and exceptionally low vibrations mean less strain and maximized productivity. Suitable for road work and easy to cut in a straight or curved track or close to sidewalk when used with KV7 trolley. Blade not included. Water Injection system not included

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box, used to make a video... Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so your letting some other customer place the order ahead of you.

All sales are final.

Factory warranty as brand new: 12 Month parts and labor!

Extend the warranty to 3 or 5 years for a little more.

Condition of this machine: "A"
