Husqvarna K6500 Concrete Ring Saw Power Cutter K 6500 MK 967205201 14Inch  
Blade 10.6 Inch Depth Freight Included  
Machine only, Blades sold separately.

Husqvarna K 6500 Ring is equipped with high frequency PRIME<sup>®</sup> technology, making it our most powerful electric ring cutter ever. The high power output, well-balanced body and low vibration levels make this machine very efficient and easy to use. The PRIME<sup>®</sup> product range enables you to combine the system that is most efficient for your business. The K 6500 can be used with either the PP 65 or the PP 220 as a power source. Expand the system as your needs develop. The eccentric rim drive system of hydraulic power cutter K 6500 provides a 10.6" cutting depth with a 14" blade. It's suitable for a wide variety of applications, such as correcting door and window openings and cutting pipe in installation jobs. It's ideal for working indoors due to no exhaust fumes and low noise levels.
