Model Number: 71-100

StainOut 71-100 Systems SOS UV Black Light Flashlight Kit for Pet Urine and Stains with Case Batteries Charger

Manufacturer: StainOut Systems

StainOut 71-100 Systems SOS UV Black Light Flashlight Kit for Pet Urine and Stains with Case, Batteries, and Charger

Description

Professional UV black light kit reveals urine, feces, and vomit stains that would otherwise be hidden to the naked eye. Powerful 10 watt UV light, wavelength of 365nm, works even in daylight, so you don't need to turn off the lights or worry about there being too much light for you to see stains. Recommended for professional use by carpet cleaners.

Includes a hard storage case, lithium ion rechargeable batteries, charger, and belt holster.

>

Optional

We strongly recommend you purchase 2 safety glasses.
One for your and one for your customer.
The customer will be invested in the process once you have them wearing these.
Helps prevents eye cataracts from developing caused by UV light exposure.
Clean Storm UV Amber Safety Glasses for Body Fluid and Pet Urine
Detection AX91B [SBMUVGlass]

Optional:
We strongly recommend that you purchase Six (3 twin packs) CR123 batteries
for this flashlight!
Once you do, you will never use the rechargables again.
The UV is 100% brighter and stronger with CR123 batteries than 18650
batteries.
Twin Package of Lithium CR123A Batteries for Photos and Flashlights 2 Units
