Factory Brochure

SSG Series - Our most rugged hot model designed for continuous, on-site cleaning

Shark Series oil-fired skids are the workhorses of the pressure washer industry. Delivering up to 5.6 GPM of hot water at up to 3500 PSI, these rugged gas- and diesel-powered machines are built on an open frame using heavy-gauge 11/4" powder coated steel and are ideal for mounting to a truck or on a trailer. The electric-start engine and powerful belt-drive K&#228;ml;rcher KT pump are isolated from the rest of the machine on a shock-mounted sub-frame to reduce vibration. Steam combination comes standard with all models.

Pair it with a Shark trailer for a mobile wash solution to on-site cleaning!

## PRODUCT OVERVIEW

- &#2022; Honda, Vanguard, Kohler engines
- &#2022; 11/4" full steel skid frame
- &#2022; Burner available in 12V DC or 120V AC
- &#2022; K&#228;ml;rcher belt-drive tri-plunger pumps
- &#2022; 1/2" Schedule 80 heating coil
- &#2022; ETL safety certified
- &#2022; Stainless steel coil wrap
- &#2022; Power generator on four models
- Member of K&#228;ml;rcher North America, Inc
- &#2022; Compatible with Shark trailers for a mobile on-site wash system
